Under the Act, the Institute awards its own medical degrees and other academic distinctions. The degrees awarded by the Institute under the Act, are deemed to be equivalent to the degrees awarded by the recognized Universities of India.</div><div>AIIMS and Objectives</div><div>In the field of postgraduate education, the most important function of the Institute is to provide opportunities for training teachers for postgraduate education. Postgraduate students are exposed to newer methods of teaching and given opportunities to actively participate in teaching and research. The Institute provides together in one place educational facilities of the highest order for the training of personnel in all the important branches of health and allied sciences. The educational principles and practices being adopted are those which are best suited to the needs of the nation.</div></div></div> <div><div>Copyright @ All India Institute of Medical Sciences, New Delhi.
